

**REMARKS**

In the Advisory Action responsive to Applicant's Amendment after Final dated February 24, 2009, the Examiner has indicated that Formula (1) in claim 8 is shown incorrectly with a carbon atom that is penta substituted and another carbon atom that only contains two substituents, the carbons are contained on the polymer block designated with subscript y, (CCOCH<sub>3</sub>HO)<sub>y</sub>.

Applicant has amended Formula (1) in claim 8 to correct this deficiency. In addition, claim 10 has been cancelled and claim 12 amended to reflect the cancellation of claim 10. Accordingly, claim 8 should now be in condition for allowance. The claims 9 and 11-15 are claims dependent upon claim 8 and further limit claim 8.

Reconsideration and allowance of claims 8-9 and 11-15 is respectfully solicited.

Respectfully submitted,
